

Stationery List

A list of stationery requirements is shown below and listed as appropriate for each year group. Diaries are provided each year by the school as they are an important means of communication between staff and parents.

Please ensure that your child has the following equipment available in school every day, clearly labelled as we do our very best to ensure that named stationery is returned to its rightful owner if it goes astray.

Pupils who attend Music and/or Speech and Drama lessons will also require a reinforced plastic folder.

We politely request that pupils do not bring Tippex or ink eradicators into school.

Please refer to this list every half term to see if your child's stationery requires 'topping up'.

RECEPTION

Pupils in Reception do not require any stationery items as it is all provided in class.
