

Stationery List

A list of stationery requirements is shown below and listed as appropriate for each year group. Please ensure that your child has the following equipment available in school every day, clearly labelled as we do our very best to ensure that named stationery is returned to its rightful owner if it goes astray. Pupils who attend Music and/or Speech and Drama lessons will also require a reinforced plastic folder. We politely request that pupils do not bring Tippex or ink eradicators into school. Please refer to this list every half term to see if your child's stationery requires 'topping up'.
